PETITION UNDER 37 C.F.R. §1.181(a)(3)

COMMISSIONER FOR PATENTS
Alexandria, VA 22313-1450

SIR:

Petitioners respectfully request the Office to invoke the supervising authority of the Commissioner and consider Petitioners' Comments on Statement of Reasons for Allowance, concurrently filed herewith, and also indicate that the reference AW (Article XP-002078007) cited on the Information Disclosure Statement filed on February 27, 2004, has been considered. In crossing off Reference AW on November 12, 2004, the Examiner indicates that this reference is not in the file.

Petitioners note that the present application is a continuation of US 10/023,290, filed on December 20, 2001 (now US Patent No. 6,768,602), which is a continuation of US 09/756,195, filed on January 9, 2001 (now US Patent No. 6,344,710), which is a continuation of US 09/234,315, filed on January 21, 1999 (now US Patent No. 6,229,252). Petitioners remind the Examiner that in accordance with MPEP §609 that the Office is compelled to consider information which has been considered by the Office in a parent application when examining a continuation application filed under 37 CFR 1.53(b) as is the case in the present application.

Further, in accordance with MPEP §609, Petitioners are under no obligation to resubmit the references that were previously filed in the parent application, but rather it is the Examiner's obligation to obtain these references from the parent application. As evidenced by the **enclosed copies** of the front pages of US 6,768,602, US 6,344,710, and US 6,229,252, Article XP-002078007 was cited and considered in each of the applications to which the present application claims priority and, therefore, the Office should have considered this reference.

To this end, Petitioners respectfully request that the Examiner acknowledge consideration of Article XP-002078007 by providing Petitioners with an initialed copy of the Form PTO-1449 enclosed herewith listing this reference. Petitioners also submit herewith a copy of the Information Disclosure Statement as filed on February 27, 2004, along a copy of the date-stamped filing receipt evidencing the timely filing thereof.

For the reasons given above, this petition should be GRANTED.

Respectfully submitted,
